

TWO KINGSTON BALL PLAYERS KILLED NEAR STAATSBURGH IN AUTO ACCIDENT

Thomas Houser and Joseph Furmansky Victims as Anthony DeCicco's Car, With 12 Aboard, Hits Tree—DeCicco, Badly Hurt, and Mason Mufson in Rhinebeck Hospital—Five Others Hurt.

Two were killed and seven others injured when the five passenger Oakland touring car owned and driven by Anthony DeCicco of East Kingston, and containing members of the Progressive Social Club's baseball team, swerved from the road about a mile north of Staatsburgh Sunday afternoon and struck a tree. There were twelve crowded into the car at the time, and they were returning to Kingston after playing a game of ball in Staatsburgh.

The Dead. Thomas Houser, 28 years old, a son of Sarah and the late Frederick Houser, of Fitch street, Wilbur. His neck was broken.

Joseph Furmansky, 19 years old, son of Jacob Furmansky, No. 59 Meadow street. His skull was fractured.

In Rhinebeck Hospital. Anthony DeCicco, owner and driver of ill-fated car, in Thompson Hospital in Rhinebeck with several broken ribs. He is badly injured. Mason Mufson, 8 years old, mascot of the Progressive Club, has dislocated shoulder, and minor injuries. Five others injured.

Five others who were injured, but who were able to return to their homes are:

Henry Cragin of Wilbur, a few minor bruises and cuts.

Emanuel Yallum of Meadow street, face cut.

Charles Yallum of Meadow street, cut about the hands and face.

James Kenny, of Wilbur, leg skinned.

Isidore Basch of East Union street, cut about the arms and shoulders.

Conflicting Stories Told. Several rather conflicting stories are told as to how the accident occurred. One story was to the effect that the Oakland was overcrowded with boys and that there were three in the front seat beside the driver and when the driver attempted to turn out from an approaching car he did not have elbow room enough to operate the steering wheel and turned the car too much to one side causing it to leave the road and crash into the tree.

The other story was that the steering gear broke and caused the car to swerve.

Those in the Auto. Those who were riding in the car at the time were James Kenny of Wilbur, Henry Cragin of Wilbur, Thomas Houser of Meadow street, Isidore Basch, East Union street; Charles and Emanuel Yallum of Meadow street; Thomas Crispell of Wilbur; James Albright of Abeel street; William Jordan of Chambers street; Anthony DeCicco of East Kingston and Mason Mufson of Meadow street.

Kenny's Story Of Accident. James Kenny, who was riding alongside of Furmansky, who was killed, in relating the accident, said that they were on their way home, and when about a mile north of Staatsburgh he thought that the steering gear broke or got out of order, and the first thing he knew they had hit a tree.

He said that Furmansky was found at the side of the road on his back and lived about five minutes. Houser, as the auto hit the tree, shot forward and landed on his head in the road. He lived for about ten minutes afterward.

Were On Way Home. The Progressive Club had finished the ball game, and at the time were on their way home. While on way to state at what spot of the Oakland was traveling it said they were going at a pretty fair clip.

As the auto left the road and rolled over the left side all twelve in the car were hurled out.

The accident occurred on the state road between Staatsburgh and Rhinebeck about 5:30 o'clock. There is considerable traffic on the road, and soon a number of cars had collected at the scene and everything possible was done for the injured.

Furmansky and Houser were found beyond medical aid, but DeCicco and young Mufson were removed to the hospital in Rhinebeck.

Patched Up on Ferry. Others in the party who were fortunate enough to escape with minor injuries met Dr. A. A. Stern on the ferry Transport as they were crossing to the shore, and he dressed their wounds and cuts.

News Soon Spread. News of the tragedy soon spread and members of the ball team and their friends came across to Kingston, and soon the ferry shed on Ferry street was crowded with hundreds of people seeking the latest news.

At about all sorts of rumors were told and the number of killed was said to be anywhere from two to ten.

At word on the relatives of the dead and those seriously injured received word they hurried to the scene of the tragedy.

DeCicco's Injuries Serious. DeCicco was the most seriously injured of the party, and it is not yet known whether he will recover.

Club Recently Organized. The Progressive Social Club team was only recently organized with Albert Nelson as manager and the

HARDING BENT ON PARTY PEACE

Nominee Will Take 20 Office Workers to Marion Home Saturday—Will Probably Make a Few Addresses During Campaign.

By Telegram to The Freeman. Washington, June 28.—Party pacification conferences will be resumed by Senator Harding, the national Republican presidential nominee, on the return to his offices from his week end trip to the summer home of Senator Frelinghuysen at Raritan, N. J.

Several of these conferences are planned by the senator, to be held before Saturday. No new engagements will be made for that day, as the senator and his party expect to leave Washington about 4 o'clock in the afternoon for his home in Marion, Ohio.

The senator will take with him his office staff of about 20 clerks, stenographers and typists, and his office files. The office force will be located in Marion until after the election in November.

Governor Coolidge of Massachusetts, Republican candidate for vice president, is coming Wednesday to confer with Senator Harding on the speeches of acceptance to be made by the nominee and on plans for the campaign.

Harry M. Daugherty, pre-convention campaign manager for Senator Harding, is expected during the week. Daugherty has been in conference in New York with National Chairman Will H. Hays on details of the campaign and will make a report to the senator.

During the senator's absence from Washington since Saturday, many letters and telegrams have been received from active Republicans of the far west urging the senator to come to that section during the campaign for the purpose of meeting the voters.

Friends of the senator say that concerted movement is on in the west to force a change in the Republican program for a front porch campaign by the presidential nominee.

There is no indication at present that the program is to be changed. It has been endorsed unanimously by the Republican campaign committee and accords with the views of Senator Harding. Developments in the campaign may make it advisable for Senator Harding to make two or more important speeches at great centers like Chicago and New York, but a barnstorming campaign is not now thought likely.

The campaign committee work will go on under the personal direction of Senator Harding after he leaves Washington. He will invite to his Marion home for peace conferences all Republicans who may continue to show signs of dissatisfaction, and in heart-to-heart talks line them up behind the Republican ticket.

A fear of a bolt or third party is fading rapidly before the pacification work that is now going on. Republican leaders assert, Senator Harding sent messages today to his friends here at Raritan and that he would return invigorated and ready to tackle the accumulated letters and messages that continue to come to him.

SEWER TOO SMALL. Trouble Again, Encountered With First Ward Sanitary Sewer.

Workmen have been busy for several days cleaning that part of the First Ward sanitary sewer which extends on Fair street between John and North Front streets. The sewer had become clogged and it was necessary to excavate, break the pipe and remove obstructions. Considerable trouble has been experienced with the sewer in that block for several years and in the opinion of men who have cleaned it, the sewer was not built big enough to accommodate the house waste which empties in it. The street opening was closed Saturday after the sewer had been flushed out and the pipe repaired.

WOOLWORTH IMPROVEMENT. Local Men Are Awarded Contract for Work.

The B. Louchen Company has been awarded the contract by F. W. Woolworth & Company for a new heating system and a metal ceiling for their five and ten cent store on Wall street. Joseph Gruber has been awarded the contract for the electrical work for the same store.

The improvements include a new floor with wax entrance, a new heating system, electrical work and rest room for the employees in the rear. The construction work is being done by the company's own construction crew.

Progressive Dinner Postponed. Owing to the fact that one of the victims of yesterday's automobile accident was a member of the Progressive Club, the dinner which was to have been held under the club's auspices at the Casino at Kingston point Park this evening has been postponed and the persons holding tickets will be given a chance to use them on a date to be announced later.

Dinner Tonight at Casino. In order not to disappoint the dance-going public who expected to attend the Progressive Club dance tonight, "Carm" Shorter, manager of the Kingston Point Casino, has announced that a dance will be held there this evening with full orchestra of ten pieces furnishing the music. Dancing will be held at the usual hours of 8 until 12 o'clock.

JACOB HUBEN BUYS MOST OF CEMENT COMPANY LAND

Bidders are Few and Amounts Total But \$11,625 For Rosendale Property Appraised Ten Years Ago at Nearly \$70,000—One Parcel Unsold On Account of Low Bid.

Four hundred acres owned by the New York Cement Company were sold at public auction at Mechanics Hall, Henry street, on Saturday afternoon by Joseph P. Day of New York city under the direction of the surviving trustee of the company in order to close out its real estate holdings.

The sale had been advertised for two o'clock in the afternoon, but Mr. Day was busy inspecting the property and did not reach the hall until after four o'clock. The sale occupied about an hour and a half. There were many spectators but the number of bidders was few. Some of the parcels had many bids before being struck down, but in several cases there were but one or two bids. All bids started at a low figure, and in one case the bid was considered so low that the auctioneer refused to consider it.

The total amount of bids was \$11,625. At the time of the proceedings in the supreme court under which trustees of the company were appointed about ten years ago, the appraisal gave a value of \$70,000 for the property.

The property had been divided into fifteen parcels for the purpose of the sale, but ten parcels were grouped into two lots of five parcels each, after they had been offered separately, such grouping being made because the individual parcels together formed two farms which as such were considered highly desirable.

Jacob Huben was the successful bidder for most of the parcels. He was understood to be acting for a member of the Miller family, which has been interested in the cement company for many years. Local real estate dealers did not compete against each other, in most cases.

\$10.24 An Acre. The first lot offered by Auctioneer Day consisted of Parcels J and K, which adjoin the property of Fred De Laura at Tilton, and also adjoin the Rosendale cemetery. Parcel J contains 21.5 acres and Parcel K contains 42 acres. The parcels were offered together on account of the right of way which goes with them over the land of Mr. De Laura. Bidding on both parcels was opened by Jacob Huben at \$200 and the two parcels were sold to Mr. De Laura for \$650. As the two parcels contain 63.5 acres, the price paid was a fraction over \$10.24 an acre, \$5,200 for 160 Acres.

The next lot offered consisted of five parcels known on the map of the property which had been prepared for the sale by John F. Hallinan of this city, as Parcels A, N, L, O and M. The five parcels comprise a farm of 166 acres, lying just outside the village of Rosendale, bordering the Rondout creek. Part of the farm borders the upper end of James street.

The five parcels, when offered separately, were bid in by Jacob Huben for \$4,500, as follows:

Parcel A—Containing 55 acres, known as the Matthew Kever farm, with 12-room farm house, two barns and out buildings. The major portion of this parcel is essentially farm land, with wooded upland. Highest bid, \$3,500.

Parcel N—Containing 27 acres of farm and woodland. Highest bid, \$700.

Parcel L—Containing 34 acres of wooded plateau, facing the highway. Highest bid, \$400.

Parcel O—Containing 30 acres, adjoining the Kemper property, and said to be suitable for bungalow sites and chicken farms. Highest bid, \$400.

Parcel M—Containing 10 acres, bordering on James and John streets. Said to be suitable for bungalow sites. Highest bid, \$200.

The total of the separate bids was \$4,500.

When offered together, the five parcels received as their first bid \$4,500. Mr. Day stated it had been estimated these parcels would bring at least \$10,000, and he added that the purchaser would have assurance of a paid-up tax bill for 1920.

"You haven't paid the corporation taxes yet," said Mr. Huben.

The tract was finally struck down to Mr. Huben for \$5,200. The average price per acre for this farm was a fraction over \$10.24.

160 Acre Farm For \$2,300. Next the auctioneer put up five parcels known as Parcels D, E, F, G, and H, containing all 35.8 acres. These parcels adjoin the DeLaura & Hudson canal, the lower end of Parcel H being opposite the island which lies in the Rondout creek between Rosendale and Tilton, and Parcel G and H being the LeFevre Falls cement mill plant abandoned many years ago. The five parcels extend from near the foot of Cornell's hill to Rock Lock. They were offered separately and the highest bid for each was as follows:

Parcel D containing 3.5 acres on state road, suitable for bungalow development. This parcel is opposite the lower end of LeFevre Falls. Highest bid, \$125, by John E. Hardenberg.

Parcel E containing 55 acres and being the site of 22 old mill, opposite LeFevre Falls, which are a short distance away. Fair highway and was advertised as a suitable site for a hotel.

Parcel F containing 19 acres, with frontage on state road, said to be suitable for bungalow and other residential sites. Highest bid, \$500, by Robert Spindler of LeFevre Falls.

Parcel G containing 8.4 acres, with frontage on the state road, and said to be suitable for division into residential plots. Highest bid, \$275, by J. A. Barrett of New York city, who owns a house and lot adjoining.

Parcel H containing 33.9 acres, with frontage on state road, high elevation, beautiful outlook over surrounding country. Highest bid, \$500, by Jacob Huben.

The total of the bids for the five parcels was \$2,450.

When offered together, one bid, \$2,500. It was made by Mr. Huben.

Spindler Buys an Island. Parcel C, consisting of an island in the Rondout Creek between Rosendale and LeFevre Falls, and containing 8.5 acres, was said by two auctioneers to be admirably adapted for farming. Jacob Huben attempted to open the bidding at \$25, but the auctioneer refused to accept it. John E. Hardenberg thereupon offered \$100, and the property went up by \$25 and \$50 bids to \$450, at which price it was struck down to Mr. Spindler.

13 Acres for \$125. Parcel I, containing 13.7 acres, facing the highway and adjoining the Ackerman and Kellar properties, was opened at \$100 by Mr. Hardenberg and struck down to Mr. Spindler for \$125.

32 Acre Farm for \$2,300. Parcel B, the old Tilton farm, consisting of 32 acres, situated between the canal and the creek, where the latter bends between Rosendale and LeFevre Falls, was the last parcel to be sold. The property is farm land, has a right of way over the bridge to the state road and contains a brick farm house two stories in height. Bidding was opened at \$200 by Jacob Huben, followed by a bid of \$1,000 by John E. Hardenberg, and the property was finally struck down to Mr. Spindler for \$2,300.

TRAGEDY CAR DRIVER HOME

Anthony DeCicco, driver of the ill-fated Overland car which swerved from the state road near Staatsburgh and crashed into a tree Sunday, resulting in the death of two, and who was removed to the Rhinebeck Hospital following the collision, was removed from that institution and taken to his home at East Kingston at noon today in an automobile.

It was reported over the telephone that there was no change in his condition, and it was impossible to state as yet his chances for recovery. He has several broken ribs and is injured internally.

As stated elsewhere, there were eleven others in the car beside DeCicco Sunday. Those who appeared to have gotten off lightly are feeling the effects of the accident more, and some were confined to their beds today. Isidore Basch, who was reported cut and bruised about the arms and shoulder, also carried a badly discolored and cut face where he struck the ground after being hurled out of the car. One of the Yallum boys is confined to his bed today and his brother, who was also a member of the party, although badly shaken up and bruised, was able to work today.

SCHIRICK PLAYED. With DePeysters Who Lost Close Game Sunday.

Judge Schirick of this city was behind the bat for the DePeysters of Tivoli in a game with the Arsenal team of Waterliet, Sunday afternoon, and the DePeysters were defeated by the close score of 5 to 4. Schirick got two of the six hits, made one run and is credited with eight put outs.

St. John's Notes. Tomorrow, being the feast of St. Peter the Apostle, there will be a celebration of the Holy Communion at 8 o'clock in the morning.

Thursday evening, by special request, there will be a meeting of the vestry at the rectory at 8 o'clock.

A hotel, Highest bid, \$1,200, by Jacob Huben.

Parcel F, containing 19 acres, with frontage on state road, said to be suitable for bungalow and other residential sites. Highest bid, \$500, by Robert Spindler of LeFevre Falls.

Parcel G containing 8.4 acres, with frontage on the state road, and said to be suitable for division into residential plots. Highest bid, \$275, by J. A. Barrett of New York city, who owns a house and lot adjoining.

Parcel H containing 33.9 acres, with frontage on state road, high elevation, beautiful outlook over surrounding country. Highest bid, \$500, by Jacob Huben.

The total of the bids for the five parcels was \$2,450.

When offered together, one bid, \$2,500. It was made by Mr. Huben.

Spindler Buys an Island. Parcel C, consisting of an island in the Rondout Creek between Rosendale and LeFevre Falls, and containing 8.5 acres, was said by two auctioneers to be admirably adapted for farming. Jacob Huben attempted to open the bidding at \$25, but the auctioneer refused to accept it. John E. Hardenberg thereupon offered \$100, and the property went up by \$25 and \$50 bids to \$450, at which price it was struck down to Mr. Spindler.

13 Acres for \$125. Parcel I, containing 13.7 acres, facing the highway and adjoining the Ackerman and Kellar properties, was opened at \$100 by Mr. Hardenberg and struck down to Mr. Spindler for \$125.

32 Acre Farm for \$2,300. Parcel B, the old Tilton farm, consisting of 32 acres, situated between the canal and the creek, where the latter bends between Rosendale and LeFevre Falls, was the last parcel to be sold. The property is farm land, has a right of way over the bridge to the state road and contains a brick farm house two stories in height. Bidding was opened at \$200 by Jacob Huben, followed by a bid of \$1,000 by John E. Hardenberg, and the property was finally struck down to Mr. Spindler for \$2,300.

Women Have Changed Things. That was the contrast struck between the conventional, old-time tobacco-stained, dark and dreary suffocatingly stuffed political pow-wow, and this modern scene of the misty empire of the west which seems to take its initial honors in the active business of federal government delightfully open-armed, hospitable as a good son in the act of welcoming the old folks to his prosperous pioneer ranch.

Vice-Chairman Kremer beat heartily with his gavel to bring the mind of the vast audience in the auditorium to the point of business at the scheduled time of high noon. Every one of the 10,000 ears had an opportunity and just about half of San Francisco was part of the audience around the sides, looking in from the promenade, school boys on a circus ground.

To shut off the crowd a tall wall of palms had been constructed on the city hall side of the Auditorium which faces the Civic Center, amidst a group of beautiful city buildings and park monuments.

Women Vio With Flowers. Long before noon the delegates and alternates were on the scene, appearing at with approval.

The Auditorium is a new high, steel white brick and sandstone structure, fronting on the street of the Mechanics Pavilion, some of many a prize fight and political shindig. Everlasting about it today was as crisp clean and fresh as mother's Tuesday wash.

Feminine attire took on the glory of flowers. California women in red and blue, the westerns in serious drab. There were many. The women in the convention galleries or on the floor, 244 of the number being duly accredited delegates or alternates. However, politically minded they may be, they did not today neglect any trifling details and every daughter wore a floral corsage. Their presence made the scene strikingly brilliant. Women are emphatically an important part of an exceptionally important work.

After the abandonment of the canal left the New York Cement Co., without adequate facilities at LeFevre Falls the plant was abandoned and a new one erected on Rosendale Plains, where the company acquired a large acreage. This, too, was abandoned a number of years ago when the Rosendale cement business collapsed generally.

DEMOCRATIC CONVENTION STARTS WITH APPEARANCE OF COLOSSAL FETE

Vice Chairman Kremer's Keynote Speech Main Number on First Day's Program—No Light as Yet on Probable Candidate.

Auditorium, San Francisco, June 28.—When the curtain went up today on the first brief scene of Democracy's great quadrennial convention spectacle the 4,368 delegates and alternates assembled under J. Bruce Kremer's polished redwood gavel, came mainly to listen to the eloquence of Homer S. Cummings in his remarkable keynote address, were still in confusion in respect to the party standard bearers, with Governor James M. Cox, of Ohio, much on their lips and with William Gibbs McAdoo, the big convention conundrum, but no one seemed seriously to care, for the California sun had risen in the magic splendor of his gossamer of gold and it was only human to snap fingers at fate and smile back at such smiling nature.

Three House Session Today. The early indication was that today's session would last only three hours.

The schedule was to hear the reading of the call for the convention by E. Hoffman, secretary of the national committee; announcement of the temporary organization; listen to the keynote address of Temporary Chairman Cummings; accept routine resolutions from the delegates; call the roll of states and present selections for the convention committees; devise an order of business for the permanent organization and select honor vice presidents and secretaries. But today's session was indeed much more in the atmosphere of a colossal fete than a big political assemblage with grave business in hand. Then the stern, staccato words of the chairman of the Democratic national committee as he pictured the part of the administration in the victorious world war tragedy and bitterly whip-lashed Republican antagonism to the sick president's peace plans, did not seem entirely to banish from the minds of his auditors the alluring call of the semi-tropic outdoors to come and play and forget the sordid business of partisan state affairs.

Democracy Fall of Fight. It would be misleading and unfair to intimate that the first day of the Democratic convention was characterized by any significant apathy, lack of public spirit or partisan enthusiasm. On the contrary, this representative host gave evidence of high spirit and pluck to fight.

However, the visiting delegates felt the very air was charged with holiday frivolity, brewed of the chatter of happy women and children, the gaiety of bright summer dress, the crystalline chill atmosphere, lazily waving date palms, the gorgeous setting of the white city hedged by dreamy, hazy, purple hills and a pea green sea so softly bathing the silver shore, an extravaganza of giant climbing roses, of sweet peas, brightening cottage and palace, of magnificent in prodigal array, of vast fields glittering with buttercups and million stretches of purple and blue and red wild flowers, bound to bloom and spread their fragrance on a city's air and succulent fruit in every shade of color known to the magic of the sun and dew.

Women Have Changed Things. That was the contrast struck between the conventional, old-time tobacco-stained, dark and dreary suffocatingly stuffed political pow-wow, and this modern scene of the misty empire of the west which seems to take its initial honors in the active business of federal government delightfully open-armed, hospitable as a good son in the act of welcoming the old folks to his prosperous pioneer ranch.

A Becoming Summer Frock.
Pattern 2237 is here developed. It is cut in seven sizes: 34, 36, 38, 40, 42, 44 and 45 inches bust measure. A medium size will require 7½ yards of 42 inch material.
The width of the skirt at its lower edge is about 1½ yards.
Gingham may be combined with chambray for this style, or printed voile with organdy. Plain and figured floral lines, and shantung are also attractive.
A pattern of this illustration mailed to any address on receipt of 12 cents in coin or 1c and 2c stamps to the Pattern Department, The Freeman Racket, N. Y. Be sure to state size wanted.
Catalogue Notice.
Send 13c in coin or stamps for over up-to-date spring and summer 1924 Catalogue, containing 110 designs of Ladies' Waists, and Children's Patterns, a concise and comprehensive article on dressmaking, also some points for the reader illustrating 24 of the various, simple stitches, all valuable hints to the home dressmaker.

NEW TRIAL IN ROBERTS CASE

County Judge Fowler Reverses Judgment Obtained Against Him in City Court by Van Wageningen Company—Husband of Plaintiff Allowed to Retain Property.

County Judge Joseph M. Fowler has just handed down a decision reversing the judgment obtained by the L. B. Van Wageningen Company against J. Charles Roberts for clothing Mrs. Roberts had bought of the Van Wageningen Company and had charged to her husband. The judgment is reversed on the grounds that the wife, as shown at the trial in city court before Judge Schirick, had a bank account of \$400. D. G. Atkins appeared for plaintiff while Arthur C. Connelly defended Mr. Roberts.

The decision of Judge Fowler follows: "This is an action against a husband for goods furnished to and on the order of a wife, but charged to the husband. Defendant offered no proof, but rests on his motion to dismiss at close of plaintiff's case. It being shown that husband and wife were living under the same roof and that goods furnished were such as are generally considered necessities, the plaintiff makes a prima facie case and the defendant may be relieved from responsibility only in the event that he otherwise provide his wife with such necessities, or with sufficient money with which to procure them."

Frank vs. Carter, 219 N. Y. 35. Here, it is admitted that a weekly cash allowance was made to the wife for the maintenance of herself and her twelve year old boy in addition to the house, fuel and light, and the question presented was, whether under all the circumstances the allowance made was sufficient, and aside from the one unusual element this presented the simple question of fact which was within the province of the trial court to determine.

It does appear, however, that at the time of the trial the wife had in the bank about \$400; of this deposit she says about one-half came from boarders she had taken some time previous and the other half out of the allowance given her by her husband. Nothing has been said during the current year, and some portion of the savings was accounted for by the fact that she spent some time during the summer with her mother, and as a reason for this saving she states she was once left without money and she never got like that again. This seems a natural, and the economy is commendable; neither need a wife use her own money to relieve a husband from his responsibility.

On the other hand, in cases of weekly allowances, clothing and wearing apparel can only be procured by savings from this allowance, and while no case is cited, it would seem that it is reasonable to say that any such savings must be used before the husband's credit may be pledged; otherwise in matters of this kind, the allowance may be a wife might deprive herself of present necessities, save the money and then purchase goods in some quantity upon her husband's account.

It being shown in this case that the wife had in hand money which had been given by her husband, sufficient to pay for the goods purchased, it follows that judgment should be against him.

Judgment reversed, a new trial directed in city court, with costs to the appellant.

NO ARREST

Is Elwell Case—Police Have Still Another Theory.

By Telegraph to The Freeman. New York, June 28.—The promised arrest of a suspect in the murder of Joseph B. Elwell has again been postponed, but the authorities declared again today that "it might be made at any minute."

The newest angle on which the detectives have been working is that Elwell surprised burglars in his home and that he was killed by them. In view of the fact that nothing is known of this theory is not generally spread.

DIED

KOUSER—At Staatsburgh, N. Y. June 27, 1920. Thomas, beloved son of Sarah E. and the late Frederick Kouser. Funeral at residence, 1 Fifth street, on Wednesday at 2 p. m. Relatives and friends are invited. Interment in Montrose Cemetery.

NOTICE OF SPECIAL MEETING OF THE STOCKHOLDERS OF THE WALLING WALL COMPANY, INC.
A special meeting of the stockholders of the Walling Wall Company, Inc., will be held at the office of the company on the 28th day of July, 1920, at 10 o'clock in the forenoon, for the purpose of considering and acting upon the report of the directors and the financial statement of the company for the year ending June 30, 1920, and for the election of directors and officers for the ensuing year. The stockholders are requested to attend the meeting and to bring with them their stock certificates and proxies, if they have any. The meeting will be held at the office of the company, which is located at 1115 Broadway, New York City.

CANNING SHOW AT NEW PALTZ

The Home Bureau at New Paltz will hold a canning demonstration in the Grange Hall Wednesday afternoon, June 30, beginning at 3 o'clock (daylight saving time). Everyone is invited and urged to attend this demonstration.

Perhaps never before has the canning problem been as serious as it is this season and never before was home canning so necessary if we are to beat the H. C. of L. at all. The high price of sugar is no reason for canning less fruit at home this year because many fruits can be canned successfully without any sugar and the other fruits can be canned using very much smaller quantities than we have formerly used.

The canning of both vegetables and fruits will be taken up by Miss L. M. Stuart, Home Bureau manager, at this Home Bureau meeting at New Paltz—and canning fruits with little or no sugar will be stressed particularly. Canning bulletins and other leaflets on both canning and drying of fruits and vegetables will be distributed.

IRISH HOPEFUL OF DEMOCRATS

By Telegraph to The Freeman. London, June 28.—H. Y. Boland, a Sinn Fein envoy, who has just returned from the United States, was quoted in an Exchange Telegraph dispatch from Dublin today as making the following statement to the Freeman's Journal:

"Our great hope is that the Democratic national convention in San Francisco will adopt a plank pledging official recognition of the Irish republic. The Irish vote in the United States will go to the presidential candidate who is prepared to do the right thing for Ireland and who will abide by America's war aims."

E. D. Valera, head of the Irish Sinn Fein, sent the following message to Ireland, through Mr. Boland: "The measure of our success depends on the measure of success and determination of the people in Ireland."

FINANCIAL AND COMMERCIAL

By Telegraph to The Freeman.

New York, June 28.—Trading was very light at the opening of the stock market today. Fractional losses were general throughout the list.

SPILLWAY

Spillway, June 28.—Mrs. Anna Clearwater of Kingston is visiting her brother, Ezra Markle, at his home in the mountains. Mrs. Clearwater is the wife of the late Mr. Clearwater, who died some time ago. She is a well-known social worker and has been active in many charitable organizations.

Miss Clearwater is expected to stay in the mountains for some time.

She is accompanied by her sister, Mrs. Markle.

The Clearwater family is one of the oldest in the mountains.

Mrs. Clearwater is a member of the Kingston Chapter of the Red Cross.

She is also a member of the Kingston Chapter of the Y. W. C. A.

Mrs. Clearwater is a very active and energetic woman.

She is a very popular and well-liked person.

She is a very devoted and loving mother.

She is a very kind and generous person.

She is a very intelligent and capable woman.

She is a very successful and accomplished person.

She is a very well-known and respected person.

COMMUNITY SING AT ACCORD

There will be a special community sing at Accord Community Hall Thursday evening, July 1st, at 8 o'clock, old time. Hot dogs and rolls will be served. The Cooperative Creamery which is to be located at Accord will be thoroughly discussed and explained.

LOCAL DEATH RECORD.

Recent Deaths and Funerals of Persons in This Vicinity.

Peter Lasher, a prominent citizen of Rhinebeck, died Friday at the Thompson Home Hospital in that village. He was 78 years of age. Three children survive. Barton Lasher of this city, Frank Lasher of Rhinebeck and Mrs. Harry Vosburgh of Rhinebeck. The funeral was held today from the residence.

The body of Joseph Furmansky, who was killed in an automobile accident near Staatsburgh Sunday was brought to this city from Poughkeepsie this morning by Stock & Cordis. The funeral will be held tomorrow afternoon at 2 o'clock from the residence, 59 Meadow street. Interment in the Agudas Achaim cemetery.

Joseph Sparling, valued superintendent for Mrs. M. B. Leggett, died Sunday at his home, on the Leggett estate near Stone Ridge on Sunday. He is survived by his wife, Mrs. Mollie Sparling, and three sons, Percy, Jack and Norman, all at home. The funeral will be held from the late home Wednesday morning at 11 o'clock. Interment in Fairview Cemetery at Stone Ridge.

The remains of Philip Langendorfer, a former resident of this city, who died last Wednesday at the home of his daughter, Mrs. Charles Rice, of Brooklyn, were brought to this city Saturday afternoon on the 15 West Shore train and taken to St. Peter's cemetery for interment in the family plot. The Rev. Joseph Ostermann of St. Peter's Church accompanied the remains to the cemetery where the committal services were held.

Emma J. daughter of Ruth E. and the late John E. Woolsey, died Saturday June 26, at her home, 15 Elmendorf street, aged 52 years. Besides her mother she is survived by four brothers, Louis, John H. Augustus and Hiram Woolsey, and two sisters. Deceased was a member of St. James' M. E. Church. The funeral was held from the family residence this afternoon at 2:30 o'clock, with interment in the family plot in Wiltwyck Cemetery.

Charles Sylvester Northrip, for twenty-five years a justice of the peace in Milton, died last Friday after a long and painful illness. He was a life-long resident of Milton and well known in surrounding towns. Besides a wife he is survived by a son, four daughters and one brother. The funeral was held this afternoon from the Methodist Church at Milton the Rev. D. N. F. Blakey officiating. Interment in Cedar Hill Cemetery.

Mrs. Ann S. Wood widow of the late Richard Wood formerly of this city, died Sunday morning at the home of her daughters Mrs. Arthur Connors and Mrs. H. B. Peters at Pelham, N. Y. aged 75 years. She had been ill for some time, having had a stroke of paralysis several months ago from which she did not recover. She is survived by one son, William Wood of this city, and two daughters, Mrs. Arthur Connors and Mrs. H. B. Peters, with whom she made her home. The funeral will take place from her late residence No. 95 Witherbee avenue, Pelham, on Tuesday evening at 8:30 o'clock. The remains will be brought to this city for interment in Wiltwyck Cemetery on Wednesday afternoon at two o'clock.

From the Catsaugua (Pa.) Dispatch. Catsaugua lost another of its estimable women by the death on Wednesday afternoon at 2 o'clock of Mrs. Mary J. Dyer wife of Chester A. Dyer who was stricken with apoplexy at her home and died almost instantly. The family resides at Third and Pine streets. Her age was 57 years, 5 months and 21 days. She was a charter member of Catsaugua Chapter of the American Red Cross and of the Ladies Auxiliary of the American Legion and took an active interest in both. She was also a member of the First Presbyterian Church and the affairs of the congregation were very near to her heart. The sudden demise of Mrs. Dyer was a great shock to her many friends. As she held her in the highest esteem because of her fine Christian character. The funeral took place June 24, at 2 o'clock, officiating Mrs. Dyer was born in New York state January 2, 1862 and was a daughter of Charles and the late Catherine Dyer. She came to Catsaugua with her husband, twenty-five years ago. Besides her husband and two children, Mrs. Stanley Dyer and Edgar Dyer at home, Mrs. W. R. Vandenberg and Mrs. J. E. Vandenberg of Catsaugua, and Mrs. J. E. Dyer of Port Jervis, N. Y., and a brother, James Smith, of Catsaugua, N. Y., also survive.

Charles W. Powell, one of Amsterdam's oldest citizens, and a resident here for nearly 40 years, died Monday afternoon, June 21, at a hotel at the home of his daughter, Mrs. Grace F. Powell, at Catsaugua. For the past few years Mr. Powell has made his home with his wife, Mrs. Powell, but for many years before that he had lived in Catsaugua. He was a well-known and respected citizen of Amsterdam and was a member of the Amsterdam Chapter of the American Red Cross. He was also a member of the Amsterdam Chapter of the Y. W. C. A. and the Amsterdam Chapter of the Y. M. C. A. He was a very active and energetic man and was a very successful and accomplished person. He was a very well-known and respected person.

Charles W. Powell was born in Amsterdam, N. Y., on January 2, 1832, and was a son of Charles and the late Catherine Powell. He came to Catsaugua with his wife, Mrs. Powell, twenty-five years ago. Besides his wife and two children, Mrs. Stanley Powell and Edgar Powell at home, Mrs. W. R. Vandenberg and Mrs. J. E. Vandenberg of Catsaugua, and Mrs. J. E. Dyer of Port Jervis, N. Y., and a brother, James Smith, of Catsaugua, N. Y., also survive.

Charles W. Powell was a very successful and accomplished person. He was a very well-known and respected person. He was a very active and energetic man and was a very successful and accomplished person. He was a very well-known and respected person.

PIANO PUPILS SHOW ABILITY

On Saturday afternoon at Janet street studio, a number of pupils of Miss Nettie Burhans gave an informal program of pianoforte music. The performers were heard with interest by a large audience of parents and friends.

The opening number, "In the Fields," by Hannu Schmidt was given with earnestness and precision by little Dorothy Hyatt. Another youthful player, Harriet Cranston, at 9, did Eleanor Pinney in "On the Blue" by Gobbels.

The well-known "Muset of Padewski," gave Hilda Shador opportunity of displaying a musical tone and a knowledge of correct pedaling. "Pelt Bolero," Ravina, was played by Ruth Burns, whose performance was marked by clear-cut phrasing and an excellent sense of rhythm.

In the group comprising Grace "To Spring," Chopin G Minor, Norburn and a Rheinhold Impromptu, Miss Marian Messenger gave evidence of unusual talent as well as a careful schooling. These contrasting pieces brought to notice, especially, her feeling for the lyrical, though in the last she assured her audience that she possessed a ready technique as well.

Miss Marie Ferrill was greeted with applause when she took her place at the piano to conclude the music of the afternoon. She has been heard at various times by musical audiences here and has never failed to delight with musical gifts which are rapidly being matured under the guidance of her equally skilled instructor. She played the Mendelssohn-Lied "On Waves of Sound," a Chopin Etude in G flat Major and the Brahms R Minor Impromptu—an arduous undertaking for a young player. But she had the musical insight and technical proficiency to give all three with delicacy or brilliancy as the music required.

At the conclusion Miss Burhans thanked her guests for their presence and helpful attention, adding that it had been requested that the program be added to by Miss Lou Burhans, a former pupil who was among those in the audience. This much by surprise Miss Burhans proceeded to play a Chopin Impromptu in F Sharp Major. Her beautiful interpretation was enthusiastically received.

The work of Miss Burhans has been a most successful one. She has a large number of pupils and they are all doing very well. She is a very successful and accomplished person. She is a very well-known and respected person. She is a very active and energetic man and was a very successful and accomplished person. She is a very well-known and respected person.

KINGSTON, N. Y., JUNE 28, 1920

The way to preserve youth, according to spry old Chauncey M. Depew at 86, is to feel young and act young. Simple enough—if you can do it.

If John W. Davis knows how to "satisfy the English without offending the Irish," as admirers in his home State declare, he is an accomplished diplomat indeed.

Perhaps the people of Minnesota who defeated Volstead for Congress thought it might be good for his soul if he was made to experience some of that thirst for the unattainable.

Even Governor Norbeck of South Dakota has had the house he occupies sold over his head. He is quite right in contending that a State should provide a roof to shelter the head of its chief magistrate.

An admiring interviewer publishes the news that "Mr. Bryan doesn't drink coffee." Perfectly all right as long as he remains willing for other people to drink it—which is not quite as certain as it ought to be.

THE HOUSING PROBLEM.

It is often asked why there are not houses enough for the world's population at a time when the world's population has been reduced by war. A part of the answer is that the number of mating young people who want houses of their own every year is greater than the number of persons who were sent by the war into another world. The remainder of the answer—and this is the real difficulty—is that the cost of construction is now so great that the amount of building undertaken and completed inevitably falls far below the need. In many cases even when building is projected under the spur of urgent need, plans are abandoned after the estimates have shown staggering costs. There is a widespread disposition to wait for better times, and thus the housing problem, long since serious, becomes steadily more acute.

The United States Housing Corporation estimates that 70,000 houses were built in the United States last year. Though this was a gain over the previous year of 1918, it is little more than a beginning, hundreds of thousands of houses being needed. The reports indicate that this year's building will fall utterly to meet the existing need. Under conditions of advancing cost in both labor and material contractors hesitate to offer a fixed price and when they do their figures are so high that home seekers are staggered. In some cities the problem is being made a community matter with a view to decrease in cost by doing the work wholesale, so to speak, and this would appear to be the only chance of anything like relief. It is manifest that unusual effort is imperative. Fire loss, decay and population increase demand that building operations shall continue steadily in progress if the people are to have shelter.

THE "FOUR HUNDRED."

The "four hundred," as applied to New York's smart set, still survives as a convenient term. But it appears that the exclusive circle thus described has been lost in the shuffle, or, to be more accurate—the shuffle of the ambitious social-climber families of crowded multi-millionaires. The "four hundred" of the eighteen eighties and nineties, about which the country heard so much, is no more. Smart society in New York is now composed of some thirty thousand or more, and it does not hang together, or preserve a compact and unbroken front, with the success that the "four hundred" displayed. Inquiring into the cause of the change the New York Times says: "The fundamental factor, in all probability, is a matter of mere numbers. Instead of four hundred, the socially registered now number spread of thirty thousand. When the last of the great ladies died, almost a decade ago, no one appeared to take her place. So said a clerk in doubtless beyond the cliff and authority of every, the most accomplished leader. It has become a commonplace that there is no New York society."

bles on a small scale the pushing, determined, leaderless mob one seen in the crowded subways. Apparently New York is too big and too rich, too crowded with multi-millionaires, to make possible one small select social circle such as is found in European capitals, or even such as maintain an undisputed existence in the average less congested and less opulent American city.

PORT EVEN.

Port Even, June 28.—Port Even Lodge, No. 656, I. O. O. F., will meet this evening at 8 o'clock in its rooms in Pythian Hall.

Mr. and Mrs. Edward Carpenter of New York city spent the week end with Mrs. Carpenter's parents, Mr. and Mrs. Oswald Neher, on Bayard street.

Miss Jeanette Doyle and friend, M. Fowler, of Kingston were week end guests of Mr. and Mrs. Legrand Doyle on Riverside avenue.

Moving pictures this evening at Pythian Hall.

Warren K. Van Vleet of New York city spent the week end with his family on Broadway.

Dr. and Mrs. Albert Patterson who motored from their home at Flint, Mich., and were guests of Mr. and Mrs. Abram H. Schryver on Broadway for a few days have returned to their home.

Mr. and Mrs. Rufus Lefever and daughter of Brooklyn were guests of Mr. and Mrs. Oswald Neher on Bayard street Sunday.

Thomas Tucker, Sr., of Albany, spent Sunday at his home on Broadway.

Tudoroff Brothers of Kingston have completed wiring the commodious garage of Merritt Every on Broadway.

Elsworth Everests of Broadway who has been ill for some time with glandular fever is able to be out again.

Mrs. Ella Fairbrother is having improvements made to her house on Green street. Alvin Schoonmaker and George Elsworth, carpenter and builders, are doing the work.

Mrs. Viola Radcliffe of Hensonville is visiting Mrs. Clarence Freer on Hasbrouck street.

Mr. and Mrs. John Osborn of Ulster Park spent Sunday with Merritt Every on Broadway.

Clarence Freer of New York city spent the week end with his wife on Schryver street.

WEST PARK.

West Park, June 26.—Mrs. C. B. Hoppin gave a party to several of her friends on Tuesday evening. A pleasant time was enjoyed by all. Mrs. Hoppin expects to spend the summer months in Maine, as the guest of Rev. and Mrs. Richard Searing, and will return again to West Park in September.

Mrs. A. J. Allen celebrated her 79th birthday on Tuesday.

Miss Rachel DuMont spent Wednesday in Poughkeepsie.

Carl Miller of Toledo, O., is visiting at the home of Mr. and Mrs. Martin Von Etens.

Mrs. A. Stokes and family of St. Remy spent a few days the past week with Mr. and Mrs. David Travis.

Mrs. John Drake spent Thursday in Poughkeepsie.

Augustus Allen of New York city spent a few days at the home of Mr. and Mrs. A. J. Allen.

Miss Mary Demaron of New York city spent the week end at her home here.

Mr. and Mrs. Otto Drake of Poughkeepsie are visiting Mrs. Drake's parents, Mr. and Mrs. Luke Connor.

Miss Florence Green spent Friday in Poughkeepsie.

Frank Caprara of New York city spent the week end with his family here.

Mr. and Mrs. George Denney and daughter, Mary of Newburgh spent Sunday with the former's parents, Mr. and Mrs. Irving Denney.

Mrs. Vincent Quinn spent Saturday in Kingston.

Mr. and Mrs. Nicholas Hasbrouck of West New York spent the week end with George Hasbrouck and family.

John Quick spent Monday in Poughkeepsie.

Miss Ada DuMont has returned home from a few days' visit with relatives in Shokan.

John Bergen of Poughkeepsie spent the past week at the home of Mr. and Mrs. Martin Von Etens.

Miss Dorcas Denney spent Tuesday with her aunt, Mrs. Lydia Le Baron, in Highland.

ANARCHISTS KILL MANY ITALIANS

By Telegraph to The Freeman.

London, June 28.—Widespread fighting in Italy between anarchists and soldiers, in which many persons were killed and many wounded, was reported from Rome today in the following news agency dispatch:

"Anarchists attacked a train at Bergaccio, near Ancona, killing five passengers and wounding three. A lieutenant was killed and three policemen were wounded when another train was attacked. The anarchists are concentrating. The Carabinieri barracks at Piano San Lazzaro was attacked with bombs. A grenade attack was made against the barracks at Pombino, but soldiers in armored cars drove off the attackers. The barricades erected by the anarchists were destroyed."

General R. E. H. Dyer, of the British Army, who was severely censured in the findings of the commission appointed by the British government to investigate the causes of unrest in India and the attending disorders. The incidents investigated included the Amritsa "massacre" of April, 1919, in which more than 500 natives were killed and a thousand wounded when troops under the command of General Dyer opened fire with machine guns. The firing began when the natives had no chance to escape and, it is alleged, the only reason more were not killed or wounded is that the soldiers' ammunition gave out. General Dyer was censured for ordering his troops to fire without warning and also for continuing the firing. He has appealed the finding of the commission.

STARTED LAYING WILLITE HERE

The work of laying Willite on the Broadway brick was started this morning. The work has been greatly delayed by the congestion on the railroads which tied up the delivery of the plant. The work will be pushed forward as rapidly as possible. Willite is being laid this morning at the top of the Broadway hill, and auto traffic should use care in going up the hill to avoid a collision with cars coming from uptown.

Must Be a Millionaire.

Ten barrels of whiskey worth about \$30,000 were seized from a motor truck while passing through Newburgh Friday. Revenue agents from Poughkeepsie assisted in capturing the prize. There was no known place shipment or destination stated. The driver stated that all he knew was that the consignment was for "Fred Schultz."

AT THE THEATRE.

Mary Miles Minter And H. B. Warner On Kingston Screens.
"Judy of Rogues Harbor," a picturization of Grace Miller White's novel starring Mary Miles Minter, is the attraction at Keene's tonight. A Mack Sennett Comedy, "Gee Whiz," Bray Photograph and Fox news weekly are also programmed. Tomorrow Rupert Hughes' smashling story, "The Cup of Fury," H. B. Warner in "The Gray Wolf's Ghost" at the Auditorium tonight is a story full of red-blooded life, a romantic play of the great southwest. Also the mighty action serial "Kimo the Fearless" starring Elmo Lincoln. Tomorrow Irene Castle in "The Invisible Bond."

Check for Sanguities.

Supervisor John D. Fratcher has received a check for \$2,500 as the town of Sanguities' percentage on fees collected by the state from automobile and motorcycles owned in the town.

JUNE GIFTS TO HOME FOR AGED

During the month of June a large number of articles have been contributed to the Home for the Aged. Among the many useful articles which were received from friends are the following:

One quilt, T. T. T. Ciam, St. James's M. E. Sunday school.
One quilt, "Ladies' Aid Society, Union Center Church."
One chicken, Merritt's market.
One chicken, Mrs. Seeley.
One chicken, Mrs. Williams Carter.
Auto for service, C. R. Davis.
One couch, Judge and Mrs. Hasbrouck.

Flowers, Miss Sarah Reynolds.
Pot cheese, Mrs. Matthews.
Large clock, Miss Freer, 184 Fair street.
Flowers, Mrs. Walker.
Articles for neck wear, Mrs. W. S. Eltinge.
Cocoa, Mrs. Van Hovenberg.
Chicken, Mr. and Mrs. Charles Davis.
Awning, Mrs. Chandler.
Two white gowns, Mrs. Robert S. Rodie.

Flowers, Mrs. Hutton.
Flowers, Miss Van Leuven.
Two dolls, Mrs. Martha Davis.
Picture, Mrs. Wood.
Four chickens, 4 dozen eggs, 4 quarts buttermilk, 6 quarts milk, 1 quart cream, 4 pounds butter, Mrs. Winston.
Auto for ride around reservoir, William Ten Broeck.
Fertilizer, flowers and three men to make flower beds, two dozen tomato plants, Mr. Burgevin.
Magazines, Mrs. Craft.
Part cost of new rubber tires for invalid chair, C. R. Davis.
Dishes, Judge and Mrs. Hasbrouck.
Flowers, a friend.
Lettuce, potcheese, salad dressing, cream, Mrs. DeWitt Roosa.
Five quarts strawberries, a friend, West Hurley.

FAREWELL SERMON

By Rev. P. S. Baringer Sunday Morning at Church of Redeemer.
The morning service at the Lutheran Church of the Redeemer Sunday morning was very largely attended when the Rev. P. S. Baringer, pastor, preached his farewell sermon. Several of the pastor's friends outside the congregation were present. Special music was rendered by the choir, including a duet sung by Miss Mildred Messenger and Frank Finley. Following the sermon the congregation gathered in the front of their church to bid farewell to the pastor. The Rev. Baringer came to Kingston in the fall of 1916. He made a host of friends here who will regret his leaving the city.

Tonight

A BRET HARTE STORY
An adventure such as only Mr. Warner can depict in a land of suspicion, intrigue and treachery.

H. B. WARNER

"THE GRAY WOLF'S GHOST"
A Story Full of Red-Blooded Life

A picture that thrills with Mr. Warner's personality. Wherein he plays a lone hand against a father who has been treacherous to his own kind and a people whose suspicions almost place him on the gallows.

—Also—
DON'T MISS THIS ASTOUNDING FEAT OF STRENGTH.

A dozen desperate men thirsting for his life. Elmo saw nothing but to fight it out even against terrible odds. But Edith's life was in danger. A second was priceless. He sprang at the nearest man, grasped him in his mighty hands, whirled him about his head, and hurled him—a crumpled heap in a corner a dozen feet away.

Don't miss this magnificent feat of strength in a thunder-bolt serial crowded with them. The biggest serial sensation in the history of motion pictures. It's wonderful! Now playing.

Don't miss a single episode—don't rob yourself of the photoplay sensation of the year.

NO OVERTIME PAY

For Postal Clerks Under New Law—Must Take Their O.T.

Permission to allow overtime pay for Sunday and holiday work by post office clerks is revoked by the new law passed by congress. The ruling will go into effect July 1. Under the new law, when an employee works Sunday, instead of overtime the day will be counted as a regular day, and compensatory time must be taken off by the employee some day in the week. When an employee works on a holiday, he is not permitted to take a day off each thirty days after.

Under the new law which increases the salary of the post office clerk a few hundred dollars a year, extra pay is done away with.

Opportunity Gains.

While talking to a caller one day I was annoyed by the interruption of my four-year-old daughter who was trying to tell something exciting. I reminded her that it was impertinent to interrupt me and went on with my story. When I had finished I turned to her, saying: "Now, Louise, what did you want to tell me?" She answered immediately: "You lost my toy bear."—Exchange.

Notion of Swift Tidings.

The greatest swift-tidings mystery in the world is France, though it shows a decline in the habit.

The Organ of Sound.

The real hearing apparatus of all creatures is inside the skull, the part which we call "the ear" being merely an enlarged fold of skin which helps us to collect sounds. Birds and frogs have an outside ear. The hearing hole in birds, insects and frogs is just a little behind each eye and not far from the corners of the mouth or back. The frog has a special ear, however, so that sounds can be conducted to a special nerve, which is in the roof of the hearing.

Lapp-Lappings Like French.

The Lapp language resembles that of the Finnish people.

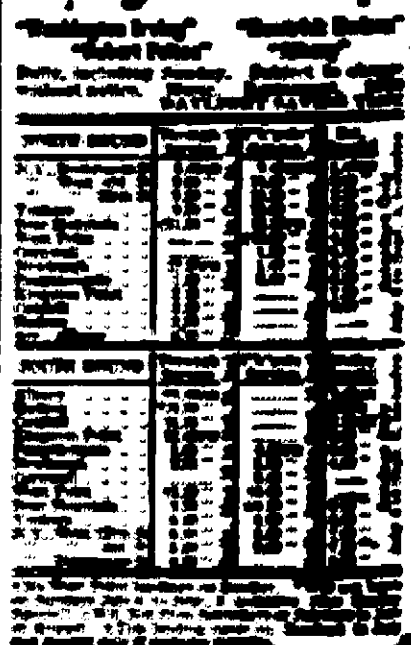

Quite So.

A friend who is to go to sea is a friend indeed.—Answers, London.

WORLD WAITING SAYS KREMER

Opening Speech At Democratic Convention Says Nation Will Complete War Work By Perpetuating Peace As Leader of League of Nations.

By Telegram to The Freeman: San Francisco, June 28.—Vice-Chairman J. Bruce Kremer of the Democratic National Committee, in his address opening the convention today said:

My fellow Democrats: Led through a labyrinth of devious political pathways, lost in the maze of political trickery, following the Pied Piper of Republicanism, the Chicago convention emerged upon the well-paved roadway of stagnation.

That heterogeneous mass promulgated a remarkable document,—remarkable in the fact that it is a masterpiece of the art of evasion. Not content with the direct limit to the intelligence of the progressive elements wrongly placed in their ranks, they once more surrendered the control of their party to the old forces of reaction and nominated a leader of that dynasty of dollars, against whose influence the common people rebelled until the great movement of progressivism drove it from power and installed in its stead a party truly representative of the people.

In marked contrast to the gathering of the opposition, we have met today to deal with living issues and to advise the people of America and of the world of Democracy's stand upon the questions of the hour. It is with justifiable confidence that we approach the important work of presenting a platform and naming a candidate, for we offer to America an assurance based on achievement. We present a pledge founded on performance.

The Republican party would turn backward, unmindful of the hopes and aspirations of forward-looking men and women, and would have us restore to power reactionary forces which could only result in ruin and disaster, but we will continue to keep our eyes to the front and will hold to the path that during eight glorious years has led America to prosperity, peace and world leadership.

Our opponents speak to the people in the language of yesterday. They see only through the lenses of reaction. Through years of retrogression their party has now reached the decadent stage. The Chicago platform stamps it as a party of destruction. Its declaration of principles condemns but suggests no remedy either for real or fancied ills. It is out of tune with free people everywhere; it is out of harmony with the world's desire, it no longer, as in the days of its rebirth, stands as a giant championing the cause of freedom but, dwarfed by time of principle, it has developed into a vicious, crabbed old scold.

America will not look for leadership in that party; America will not tolerate the leadership of that party. Never, more than now, does our country look to Democracy to save it from the course of national degradation prescribed by Republicans, or to save it from abject humiliation before the nations of the earth. Our party is almost as old as the

nation itself. It was created when the forces of popular government assumed for the first time in the world's history the direct conduct of a nation. It has progressed in thought as our nation progressed in growth and attainment. It has kept pace with the time and has measured the tread of the advancing host of liberal government.

Our party has never been an evasive party. It was not evasion that made Thomas Jefferson the patron saint of Democratic government; it was not evasion that made Andrew Jackson the personification of honesty and fearlessness; it was not evasion that made the Democratic party of today the champion of the world's hopes, and neither will it be evasion that will make the nominee of this convention the president of the United States.

Our party will present policies in a direct and constructive way; the Republican platform is but an ingenious device meant to conceal irreconcilable differences.

In delivering our message to the American people our party will raise its anchor upon the shores of honesty and steer unflinchingly through the straits of courage.

With civilization's existence jeopardized in the recent inferno of world chaos, America reached out its hand to stay destructive forces. We placed her once more in her exalted position and raised again the fallen torch from whence radiates the light that tempers brutish hearts and softens human souls. The world is waiting to hear the decision of the American electorate upon the covenant of the League of Nations, a war-worn world implores America to take the lead in this great movement, and humanity's voice cries out imploringly to our great nation.

Our country did not falter in its duty to silence the guns of war; our party will not falter in its duty to perpetuate peace.

Charles F. Murphy

James E. Smith

Charles F. Murphy, leader of Tammany, and at present attending the Democratic National convention in San Francisco and James E. Smith, assistant district attorney of New York, and three other prominent men and a corporation have been indicted by the Extraordinary Grand Jury in New York. The indictment charges a conspiracy to defraud the government of excess profit taxes earned by the North Kensington Refinery, manufacturing malto-dextrine, a business in which Mr. Murphy was financially interested.

They Walked Back.

While living in a small country town my sweetheart, just out of university, came to visit me. I possessed a pony and invited my friend to drive with me into the country to view the scenery. Taking magazine, camera and lunch we started forth, found a beautiful spot some three miles from town, decided to stop there, unburdened the pony, and tied him so he could not escape. Shortly we missed the pony and could tell by small shoe prints in the mud he had come home, leaving us with buggy and harness. When we reached town that warm July afternoon we located the pony tied to our neighbor's gate post, and to my embarrassment, all friends were standing silently at the pony's choice of a stopping place.—Exchange.

Black and White Diamonds.

Although both are pure carbon, black diamonds have little in common with those more generally worn as ornaments. The black ones are much harder than the crystal or gem diamonds and in fact are nearly the hardest substance known. Black diamonds or carbons are without crystalline form, and are found in irregular pieces, ranging in size from half a cent up to three, four and five hundred carats. They are dark gray, black or brownish color and opaque. The real diamond of the jewelry trade is also pure carbon, but transparent, and crystalline in form. Two objects so alike in composition and yet so different in appearance are a most interesting study.—Exchange.

Franklin Touring Car

THIS is the car that gives to owners the following evidence of economy, reliability and comfort:

20 miles to the gallon of gasoline
12,500 miles to the set of tires
50% slower yearly depreciation
(National Average)

And this is the car that has also established these unchallenged records of road performance—one driver continuously at the wheel on each run:

Portland, Me., to Top of Mount Washington, N. H. (38.2 miles) non-stop, low-gear run—

Boston to Syracuse and return (283 miles) in 24 hours, 29 min., with a Woman driving—

New York to Boston and return (458.8 miles) in 12 hours, 5 min.—

New York to Montreal (208 miles) in 9 hours, 59 minutes—

Indianapolis to Syracuse and beyond (632.6 miles) in 22½ hours—

Waterloo, Ia., non-stop, dirt-road record, (665.4 miles) in 24 hours—

Cincinnati to Cleveland and return (353 miles) in 15 hours, 45 min.—

The Franklin is not handicapped by heavy weight and rigidity nor hampered by cooling troubles at any season. It is light, flexible and direct air-cooled. We like to give demonstrations of what it can do.

The Only Place

But Abroad As Well

"Franklin's the car that will take you to the top of Mount Washington, N. H. (38.2 miles) in 12 hours, 5 min. A few words of praise from the car's owner will prove the car's claim to be the best."—Exchange.

"The car is the best I have ever driven. It is light, flexible and direct air-cooled. We like to give demonstrations of what it can do."—Exchange.

Members of Ulster County Bar Endorse Surrogate Walter N. Gill

The undersigned, members of the Ulster County Bar, believe that the public interests will be most substantially subserved by the re-nomination and reelection of the present surrogate, Honorable Walter N. Gill.

During his administration, Surrogate Gill has displayed not only profound legal learning, especially in the department of testamentary law, but also a remarkable degree of common sense in the application of his knowledge to the question in hand.

He has, in addition to this, shown untiring patience in the hearing, and discriminating care and industry in the examination and decision of matters before him.

During his administration, he has been in attendance for the personal transaction of business every day in the week, and not merely on two court days—a practice which has been wonderfully helpful to suitors and attorneys. He has, moreover, found time to perform valuable and needed services, forming no part of his actual official duty, to the great saving of the money of the taxpayers of this county.

In short, it is difficult to see how any public officer could have been more diligent, capable, or efficient.

Above all, his official action has been, at all times, characterized by absolute and unquestioned integrity.

Of late, the best thought has tended to exclude partisan considerations in the selection of judges, and we believe this to be the very case where this principle should be applied. In view of the great qualifications of the present surrogate, it would be a public detriment if a continuance of services so valuable were not availed of.

LAUCK PRESENTS MINERS' DATA

By Telegram to The Freeman.

Saratoga, Pa., June 23.—When hearings before the Anthracite Coal Commission were resumed here today, the miners buttressed their demands for a wage increase and recognition of the United Mine Workers of America, with a formidable array of data and exhibits, covering more than 1,000 printed pages. These exhibits covered every phase of the anthracite coal industry, with special emphasis laid on alleged monopolistic control and profiteering, and included also a survey of the increases in cost of living in the anthracite region, comparisons of the earnings of anthracite mine workers with the earnings of workers in other industries and a resume of the sanctions of the living wage, the eight hour day and collective bargaining through unions.

The anthracite miners are demanding wage increases that will bring their earnings to the level of earnings of bituminous miners, with a minimum wage of six dollars per day.

W. Jett Lauck, former secretary of the National War Labor Board, who presented the exhibits to the commission, charged profiteering to the extent of a 500 per cent increase in profits for the 1916-18 period, as compared with the pre-war period of 1912-14, and stated that the average increase for the principal operators during that time was 90 per cent.

Available figures for 1919, he said, indicate even larger profits.

Attend School Reunion.

Dr. and Mrs. P. N. Chase of this city spent the most of last week out of town. They visited friends in Glens Falls and attended the reunion and banquet of the Fort Edward Collegiate Institute students at Saratoga Springs, Friday evening, June 25. A goodly number were present. Some of them had not attended any previous meeting and some of them have attained a national reputation. The retiring president, Edward McGraw, was toastmaster, and the after dinner speeches were of unusual interest. It was voted to hold the reunion at the same place next year.

Long Distance Delivery.

E. S. Craft & Son, grocers, on Wall street, probably have the record in this city for long distance delivery of groceries. A large truck filled with provisions left early Sunday morning in charge of Raymond E. Craft for Lake George, where the groceries are to be delivered to a Kingston woman who has a summer camp in that place. The truck was secured from the Stuyvesant garage.

RELIGIOUS SURVEY

Of Towns Now Being Made by Bible Society.

Services were held Sunday evening under the auspices of the Ulster County Bible Society at the Methodist Church, Highland, at which there was a large attendance. Mayor Canfield, the president of the society, delivered the address of the evening. The society is now in the one hundred and fourth year of its existence. A survey of the towns is now being made similar to that made in this city last fall, which produced most satisfactory results.

Why They Are Happy.

You may wonder why Martin Bellows and his wife have been going around Margaretville of late looking as though they had secured a new lease of life. Well, you would be happy too if someone would call you across the street some evening and hand you a deed to a perfectly good building site and sufficient lumber to erect a home for your family. That is what happened one day recently and Mrs. G. C. Grant was the donor, so that all parties concerned and their friends are rejoicing over the incident.—Catskill Mountain News.

Ellenville Graduates.

The following were the members of the class which the Ellenville High School graduated last week: Josephine Edrie Barley, Ethel Baxter, Gertrude Blum, Luella Brenner Burhans, Sara Cohen, Jack Evans, Loretta Marie Gillman, Joseph Levine, Florence Margaret Joliffe, Ruth Lamber, Minnie Lechner, Harold Herbert Marshall, Margaret Kathryn Mitchell, John Weresabe Myers, Philip Slutsky, Florence Gould Tenney, Gladys Tinsley, Clarence Earle Vrooman, Florence Eva White, Persis Mildred White.

Catskill Man Arrested.

Edwin Deady of Catskill was arrested Saturday afternoon by Officer Fout on a charge of running into and knocking out the iron cop at Broadway and Railroad avenue, and refusing to stop when signaled by an officer. He gave bail for his appearance later.

Lawn Party.

The Ladies' Aid Society of East Kingston M. E. Church will hold a party on the church lawn Thursday evening, July 1. Ice cream, home made cake, and strawberries will be served. Should the evening prove to be damp, they will be served in the lecture room of the church. Everybody is invited and a pleasant time may be anticipated.

Twilight League Game Tonight.

The Y. M. C. A. will play the "Twilight League" game this evening at Forsyth Park.

SOCIETY NOTES.

Van Stenberg-Countryman.

Frederick Van Stenberg of No. 143 Third avenue and Miss Blandina Countryman of No. 178 Third avenue were united in marriage Sunday afternoon at the Holy Cross Church by Father Mabry.

Yager-Van Valkenburg.

John L. Yager of No. 195 Bruyn avenue and Miss Nellie M. Van Valkenburg of this city, were united in marriage on June 25 at Albany by Brigadier William G. Anderson of the Salvation Army. They were attended by John L. Godley and Dora Frey.

Krauser-Otto.

James H. Krauser of No. 15 Rogers street and Miss Elsie M. Otto of No. 28 St. Mary's street, were united in marriage on June 24 by the Rev. Dean John J. Hickey of St. Mary's Church. They were attended by Nellie J. Krauser and Mrs. Mary E. Otto.

Nagle-Warrington.

George Carl Nagle of Glen street and Mrs. Anna Warrington of No. 18 Hone street were united in marriage on June 23 by the Rev. P. S. Baringer of the Lutheran Church of the Redeemer. They were attended by Frank J. Simpson and Mrs. Marie Simpson.

Perry-Souliere.

Miss Josephine Souliere and Francis J. Perry were married June 25 at St. Joseph's church, New York city, with a nuptial Mass. Mr. and Mrs. Perry after a visit to a sister of Mrs. Perry at Poughkeepsie spend Sunday with Mr. Perry's family in this city and were given a royal welcome.

Lawn Party.

A very delightful lawn party was held by the young people of Abbey street Friday evening on the spacious lawn of Jacob Dieck. A very pretty musical program was rendered, also dancing was indulged in, after which refreshments were served. The lawn was prettily decorated with Japanese lanterns. An enjoyable time was voted by all. The young folks expect to hold a block party in the near future.

O'Neill-Augustine.

William J. O'Neill of West Strand and Miss Mary Augustine of Ann street were united in marriage this morning at 10 o'clock in the Church of the Immaculate Conception on Delaware avenue by the Rev. Francis Lesniewski. They were attended by Peter Augustine and Miss Anna Augustine. Both bride and groom are popular and have the well wishes of a host of friends. Following the

ceremony, they left for a honeymoon trip to Brooklyn.

McCullen-Taubenberger.

John H. McCullen of Brooklyn and Miss Helen Taubenberger of No. 145 Spring street, were united in marriage on Sunday afternoon at the Lutheran Church of the Redeemer by the pastor, the Rev. P. S. Baringer. The best man was William Taubenberger, a brother of the bride, and the bridesmaid was Miss Anna Taubenberger, a sister of the bride. The bride was charmingly gowned in white crepe de chine and carried a bridal bouquet of white flowers. Her bridesmaid was gowned in pink crepe de chine and carried pink flowers. A reception followed the ceremony at the home of the bride's parents. Mr. and Mrs. Adam Taubenberger.

Gibbons-Kegler.

Richard Gibbons of Port Ewen and Miss Gertrude Kegler, daughter of Mr. and Mrs. Fred Kegler of No. 22

New street, were united in marriage Sunday afternoon at St. Peter's Church by the Rev. John P. Neuman. The bride presented a charming picture, gowned in white georgette crepe de chine and carried a bouquet of bridal roses. Her bridesmaid, Miss Kathryn Juhl, was gowned in pink georgette crepe de chine and carried pink roses. The best man was James Gibbons, a brother of the groom. As the bridal party entered the church the wedding march was played by the bride's sister, Miss Agnes Kegler. After a wedding trip, Mr. and Mrs. Gibbons will reside in Brooklyn.

Nine Baptized.

At the service Sunday morning at the Methodist Episcopal Church, East Kingston, the pastor, Rev. P. N. Chase, Ph.D., baptized nine persons and received twelve on probation. The congregation was large and were deeply impressed by the services.

VACATIONISTS IN RUSH TO RESORTS

Requests for accommodations in
the Catskill mountain resorts, ac-
cording to Richard S. Barrett, of the
World Information Bureau at Cat-
skill Point, are exceeding those of
former years. The summer houses
are filling up and indications from all
points are that the season now at
hand promises to break all records,
unless there should be unusual
weather conditions.

Railroads have been swamped with
travelers and the Hudson River day
and night boats have been carrying an
unusual number of people.
Travel to the Adirondack is also
said to be heavy.

P. V. P. REUNION AND DINNER

The P. V. P. of Ulster Academy
held its annual reunion and dinner at
the Lake Katrine Grange Hall, Sat-
urday evening, June 26.

This society is composed of young
women graduates of the famous old
academy and the same loyal spirit
prevails today among the members
that made the club successful back in
the high school days. It is a note-
worthy fact that after those years of
separation twenty-six girls came from
different parts of the state to meet
and exchange stories of school days.
The guest of honor at this year's re-
union was Miss Harriet C. Parker,
one time teacher of English at Ulster,
and who helped the club to organize.
Miss Parker made a long journey in
order that she could be with the club
at this time.

After the dinner the members held
their business meeting, at which the
following officers were elected for the
ensuing year: Kathryn Bestle,
president; Myrtle Weber, vice-presi-
dent; Myra Lasher, secretary; Helen
Wood, treasurer. The officers who
served during the past year were
Ethel Van Keuren, president; Helen
Holloran, vice-president; Mrs. Clem-
ent Wall, secretary; Helen Connelly,
treasurer.
The committee having charge of the
reunion were: Helen Stephan, Helen
Connelly, Myrtle Weber, Ethel
Weber, Ethel Salzman, Mrs. Ed-
ward Hillis and Ethel Van Keuren.
At the close of the business meet-
ing, the club was delightfully enter-
tained with piano selections by Miss
Ida Bunting and vocal solos by Miss
Ella Ornerod.

FEDS WIN AGAIN.

Beat Port Ewen and Have Now Won
Five Straight.

The Wilbur Feds defeated the
Port Ewen All Stars by a score of 12
to 9, Sunday. Tom McCordie, who
caught for the Feds, led in batting.
He was at bat 5 times and scored 4
runs. The batteries for Port Ewen
were Kelly and Duffy. For the
Feds, Doyle and McCordie. Score by
innings.
Port Ewen 1 1 1 1 1 1 1—9
Feds 1 1 1 1 1 1 5—15
Wednesday evening at McVey's
field the Wilbur Feds will play
School No. 2.
Monday evening at the Athletic
field the Wilbur Feds will play the
Port Ewen All Stars. The Feds have
won 5 games in succession.

BEAT NOBACKERS.

Catskill Team Largely Made up of
Kingstonians.

With Williams of this city in the
pitchers' box, and Artie Rice, St.
Connors, Glaser and Smodes in the
line-up, the Catskill baseball team
defeated the Nobackers, of Rea-
merville, a crack aggregation, by a
score of 2 to 0 on Sunday. Rice had
two assists at second base, a putout
and made one hit, while Smodes
made two hits. The runs were made
by Connors and Williams. The Nob-
ackers made only four scattered hits.

Two Lost Fingers.

Arthur Fandell, employed by the
Allen Cement Company, was caught
in a machine in that plant and both
hands were badly crushed. Two
fingers on the right hand and one
on the left were amputated by Dr.
Jennings, Saturday. Elmer Young,
another employee at the Alpha ce-
ment plant, caught his left hand in
a gear and it was necessary to am-
putate three fingers.

Press in Town.

Joe C. Perry, of the Chestnut
street for the past 24 hours with
The Freeman has remained and ac-
quired a position with the Kingston
Telephone Office. He assumed his
new duties today.

BOICE EXHIBIT IS FOR CHARITY

The annual exhibition of aesthetic
and interpretive dancing given by
the pupils of Miss Deita Boice is not
merely of interest to the parents and
friends of the young people who par-
ticipate.

This is an entertainment worthy
the attention of every lover of the
beautiful art of dancing. So clever
is the work of the children, and so
artistic the ensemble, that one finds
it difficult to believe that the inter-
preters of this performance are only
amateurs and the producer one of
Kingston's native daughters.
The exhibition last year bore the
stamp of a New York production,
and those who were fortunate
enough to see it need no further
urging to induce them to give them-
selves this treat again.

The performance is at the King-
ston Opera House on Wednesday
afternoon and evening of this week.
Miss Boice will herself appear in
several new interpretations and in
some remarkably beautiful costumes.
She is a wonderful exponent of the
art which she so happily develops
in those who study with her.
Several of her older pupils whose
art has reached a very high develop-
ment will delight the audience with
dances almost professional in their
perfection.

Miss Boice has spared no expense
in making this entertainment sur-
pass anything she has yet put on.
The admission is very moderate and
the expenses heavy, so that no an-
nouncement has been made regard-
ing a beneficiary, but Miss Boice
when seen today stated that any
amount over and above the actual
expenses would be given by her to
one or more of Kingston's local
charities.

Seats for the matinee are not re-
served and are of one price through-
out the house. For the evening,
thirteen rows have been reserved and
these seats may be obtained at the
box office by the payment of an addi-
tional sum.
Tickets may be bought of any of
the performers and are also on sale
at Winters', Forsyth and Davis's,
Rider's, Warren's and the Connelly
Drug Store.
The program in full will be pub-
lished tomorrow.

Lake Katrine Social.

The Efficiency Club will hold a
dime and strawberry social at the
Grange Hall, Lake Katrine, Tuesday
evening at 8:30 o'clock. A five-piece
orchestra will furnish music.

We outgrow our old foolish fears—

Who now is afraid of

COFFEE

People once were "afraid" of the steam engine. "It will blow
up," they said. Time disproves many of our old fallacies.

There are many old delusions regarding foods. Some think they
can't eat bread—some are "afraid" of potatoes. And some still be-
lieve that coffee doesn't "agree" with them.

Really—coffee is more healthful for more people than any
other beverage. It is consumed in greater volume. It is the mainstay
of the millions.

Good pure coffee is good for normal people. And it is still the
cheapest item on your menu—it costs less than two cents per cup.

You will find in REYNOLDS RELIANCE a coffee of unsurpassed
flavor and aroma. And our scientific process of roasting and grinding
makes RELIANCE as healthful as it is delicious.

Remember to ask for RELIANCE. It is always fresh at your
grocer—guaranteed to please or your money back. Wm. T. Rey-
nolds & Company, Inc., Poughkeepsie, N. Y.

COFFEE**

Test Drivers Have Flare-up.
Morris Miller was arrested at the
Rhinebeck ferry Saturday afternoon
by Officer Welch on a charge of driv-
ing a Buick car with a Ford chan-
gel's license. Shortly afterward
he, as a witness, placed Henry Stahl
under arrest on a charge of disor-
derly conduct and turned them over
to Officer Welch. This morning in
police court the Miller case was ad-
judged until Tuesday, and the Stahl
case was tried. Stahl was discharged
with a reprimand. The trouble be-
tween the two is said to have started
over the fact that Stahl had a cus-
tomer to take out of town and the
case was fixed at \$25, when Miller
came along and offered to do it for
\$20. While the mix-up was under

was the fare obtained another
chauffeur and Stahl and Miller both
lost out.

Sunday Ball at Saugerties.
Sunday the Saugerties baseball
team at Saugerties defeated the
Schoharie team by a score of 4 to 3.
Saturday the Saugerties team won
from the Rhineclerk of Hudson by
a score of 12 to 2. Quite a delega-
tion from Kingston saw the Sunday
game.

Travels Fractious Arm.
A touring car carrying five pas-
sengers turned over about 1 o'clock
this morning a short distance from
the railroad crossing on the Sauger-
ties road. George Fractious, one

of the party, received a fractured arm
and several cuts and bruises. The
others were apparently unharmed.
Thomas Carroll of this city brought
the injured man to town where he
was cared for by Dr. O'Leary. After
having his injuries cared for, he
left to join the other members of
the party who reside in Newburgh.
The cause of the accident could not
be ascertained.

Supper Position.
Miss Mary C. Post, a graduate of
Saugerties Business School, Inc., has
secured a desirable position as book-
keeper and office assistant at the
Federal Separator Company,
Poughkeepsie, N. Y.
